NOTES TO GUEST VENUE DIRECTOR.

- Please have _____ workers ready to assist at arrival time for setup, for approximately one hour.
- The Climbing Wall requires a 30 x 30' level area, *minimum*, in a high traffic area for set up. Oakridge must be able to pull a *van* (with the wall, in the down position, on a trailer) into the area. The van must end up *behind* the wall trailer for the wall to be lifted to the desired position.
- Oakridge is fully licensed and inspected by the state of Oklahoma to operate its climbing wall.
- All Oakridge Amusements (*except Gaga Ball, Paintball, Arrow Tag, and 9 Square*) require access to electricity (provided by venue); two 30-amp circuits for Climbing Wall and Power Bouncers.
- Oakridge Ministries carries a \$1,000,000 insurance liability policy per occurrence.
- Oakridge is *not* requiring your participants to sign its standard Release of Liability form, and you as the host venue are declaring that you also have insurance for this event and are assuming all responsibility for any final insurance disputes.
- In many years of operation, Oakridge has had only a single injury: a broken arm as a child slid off of a Power Bouncer trampoline. Please have first aid available if needed.
- Oakridge Amusement Staff will need refreshments to continue to keep the amusements open and moving. Oakridge prefers to have you as the Venue Director provide refreshments so that Oakridge Staff can operate with minimal breaks, thus enhancing your event. Please plan on providing **one beverage (minimum) for every two hours** per operator (water, lemonade, sports drink or soft drink) and **one light meal for every two hours of usage** (sandwich and fries, pizza and chips, hot dog, etc.).
- Oakridge Amusement Staff will need access to restrooms. Please provide accordingly.

CANCELLATION POLICY.

All events for Oakridge Amusements MUST be paid in advance due to tear-down and transportation of equipment costs.

General Cancellation: Once you have paid, if you cancel with at least one week's notice for any reason other than weather, Oakridge will refund 75%.

Weather Cancellation: Once you have paid, if you cancel due to definite documented inclement weather conditions at the event venue, the following refund conditions apply:

- If you cancel with 48 or more hours notice, a full refund is available. Oakridge must confirm that weather is a genuine concern at your event venue for a full refund to be granted.
- Between 48 and 24 hours in advance of the event, 75% refund is available.
- Less than 24 hours in advance of the event, 50% refund is available.

Rescheduling: If you cancel and reschedule the event, a 10% administrative fee will apply, which will be added as a balance due. Balance will need to be paid in full in advance to confirm the event.

Thank you for understanding the need for Oakridge Amusements to have a clearly defined cancellation policy. It is our sincere hope and prayer that your event will go forward with no obstacles - weather or otherwise.
